The image shows the front cover of a journal. The cover is light-colored with a dark, ornate border. The border consists of a double-line outer edge with a small, repeating decorative motif between the lines. Inside this is a large square frame made of a chain-link pattern. The word "JOURNAL" is printed in a large, elegant, black serif font, slanted diagonally across the center of the cover. The letters are bold and have decorative flourishes, particularly on the 'J' and 'L'.
